

ALPHA ARTERY

Oklahoma Alpha | Oklahoma State University | Winter 2025

TWO OKLAHOMA ALPHA MEN ATTEND RUCK

Headquarters hosts a four-day event on leadership training each summer, where nearly 200 active SigEps are invited to participate. This past summer, **Jake Broom '26** and **Jackson Hays '27** from our chapter attended the event.

After the event, Jackson expressed:

"My experience at Ruck will stay with me for a lifetime. Over the course of four impactful days, I gained invaluable insights into becoming a more effective leader. I had the chance to assess my leadership skills, dive deeply into my strengths, and work on improving my areas of growth. Our small group was guided by two incredible alumni who invested their time and wisdom in me and my fellow brothers throughout the weekend. I'm extremely grateful to Oklahoma Alpha's alumni for their generous support, which made my attendance possible."

Outgoing President Jake Broom '26 (left) and Incoming President Jackson Hays '27 attend Ruck in summer 2024.

A Successful Career in Energy

GET TO KNOW KYLE KOONTZ '02

Kyle Koontz '02 joined BP in December 2016 and currently serves as CEO of BPX Energy, the subsidiary onshore exploration and production company for BP. Through various prior roles, he helped initiate the oil strategy conversion in the onshore business, started a new central reserves team, led business

units in the Midcontinent and Permian, and worked with the team to formulate a multi-year, low-carbon development strategy in support of BP's purpose of reimagining energy for people and our planet.

Kyle brings passion, innovation, and problem-solving to his servant leadership approach, practiced over a dynamic, fast-paced career of large-scale asset and portfolio management spanning almost 20 years. That experience includes asset development in multiple basins, overseeing more than \$6 billion of capital investment in various capacities.

Prior to joining BP, Kyle served as one of the co-founders of Templar Energy where he helped the management team grow the start-up company into the nation's 27th largest natural gas producer. He

previously held roles at SandRidge Energy and Wallace Engineering and has also served on the Young Professionals Executive Board of the Society of Petroleum Engineers, as a Future Leader member of Oklahoma Independents Petroleum Association, and as a board member for the Oklahoma Oil and Gas Association.

Kyle earned a B.S. in architectural engineering from Oklahoma State University and a B.S. in petroleum engineering from the University of Oklahoma. In 2015, he received national recognition in Hart Energy's Oil and Gas Investor "Top Thirty under 40" publication.

Kyle lives in Denver with his wife and three kids and loves snowboarding, wake surfing, mountain biking, and tennis.

Mentoring the Next Generation of the Workforce

With more than 252,000 living alumni, SigEp has a network of knowledgeable brothers to help young members prepare for nearly any career. Currently, more than 1,600 undergraduate brothers have taken advantage of personalized career coaching from alumni within their desired field. SigEp's goal is to ensure each undergraduate brother receives career coaching to prepare him for the next step after graduation.

T. BONE MCDONALD ANNUAL GOLF TOURNAMENT

Our winning team with their trophy.

We held our annual alumni golf tournament at the Battle Creek Golf Club in Broken Arrow on July 27, raising another \$2,000 for the T. Bone scholarship endowment. The endowment is now at \$12,581. Once we get to \$25,000, we will be able to start awarding the chapter men scholarship money from the fund. The four-man winning team was made up of **Chandler Walker '17**, **Isaac Bullen '21**, **Garrett Walker '21**, and Tom Walker (SigEp Guest), who scored an incredible 56.

At the meal, District Governor **Greg Steed, Central Arkansas '93** awarded **Todd Donovan '86** the Exemplary Service Award from nationals. It represents at least 20 years of volunteering for SigEp. Todd has worked with Oklahoma Alpha, Kansas Beta, Colorado Gamma, and Wyoming Alpha for the past 30 years.

Members of the losing team, from left: District Governor Greg Steed, Central Arkansas '93, AVC President Todd Donovan '86, Chapter President Jake Broom '26, and Executive Mentor Board Coordinator Matt Matlack '00.
